Four Elements Design We went back to our stack of free glass shipping pallets from FabTek and started tearing them apart for lumber. In one day, we had taken apart all of the rest of the pallets and ended up with loads of 2x6s and 2x8s for our building. Then, we used old 4x4s from a reclaimed fence as our skids for the bottom frame of the building. The Four Elements of Design: Interiors Inspired By Earth ... From interior design icon Vicente Wolf, an inspirational guide for home decorators to designing unforgettable spaces based on the four natural elements. Based on Vicente Wolf's belief that the classical elements "earth, water, air, and fire" form the basic building blocks of great interior design, the book is divided into four sections. 4 Elements of Design | Our Everyday Life The four elements of design are crucial when designing a costume. If you don't take into account space, line, color and form when you design, the finished costumes will not be eye-catching or excite the imagination of the audience, and can even ruin a performance. Combine the four elements together in various ways to form a successful costume.
