 Fragile Dreams is a great example of a spectacular concept whose execution could have used a little more thought and time. I love the premise, the setting, some of the characters, and the.

Fragile Dreams: Farewell Ruins of the Moon (Nintendo Wii ...
 Fragile Dreams: Farewell Ruins of the Moon is not the typical horror genre found on the Wii. Although it takes place in a post-apocalyptic world, this Wii game uses its soundtrack, lighting effects, and human drama to create a game where the player has a lonely, saddened experience rather than a fearful experience. [Wii] Fragile Dreams: Opening + Theme Song "Hikari" The Opening and Theme Song "Hikari" to the game I am currently enjoying quite a bit, "Fragile Dreams" This song is quite the joy to listen to... and the art style for this opening is just gorgeous.
